

RED INSTEAD

“Red Instead” Campaign – Trade up and get the box for free

Do you have a unified threat management or spam protection device that’s not from WatchGuard? Isn’t it about time you traded up to the superior performance of a WatchGuard XTM or the innovative security of a WatchGuard XCS series solution?

Through June 2010 when you trade in a competitive appliance for a three-year XTM security bundle on selected models or a three-year XCS email security bundle, you’ll pay only for the services - it’s like getting the box for free!

Here’s how it works:

Firewall/UTM Competitive Campaign:

Trade In a competitive firewall solution and purchase a select WatchGuard 3-year Security Bundle Trade Up SKU and get it for just the price of the 3-year software suite.
